## THE LM FLOORING ADVANTAGE

**ALUMINUM OXIDE LAYER**  
Provides superior wear-through protection and gloss retention than traditional hardwood.

**25-YEAR (Residential) FINISH WARRANTY**  
**5-YEAR (Light Commercial) FINISH WARRANTY**  
LM Flooring warrants that the Maximus Aluminum Oxide Finish will not wear through for a period of 25/5 years from the date of purchase, provided that proper maintenance guidelines were followed.

**MAXIMUS ALUMINUM OXIDE FINISH**  
This no wax worry-free finish features aluminum oxide crystals suspended in urethane. The Maximus finish forms a nine coat protective barrier that will keep your floors beautiful for generations to come. Simply sweep or vacuum just as you would other floor coverings, and clean occasionally with a hardwood flooring cleaner.

**Warning:** Vacuums with a beater bar or power rotary brush head can damage a wood floor and never should be used.
