Kendall Exotics...

Discover the beauty and uniqueness. Kendall Exotic planks bring a rich and warm feeling to any décor. The variety of species brings the aesthetics and ambiance from the worlds most striking forests. Finely crafted, Kendall Exotics offer you a diverse array of color and style, allowing the personal expression your room desires. Transform your home into a fashion statement that will add richness and character to any room for years to come.

Engineered floors handle seasonal changes with less stress and minimal movement, which means less floor gaps. The factory applied, finish, has superior abrasion resistant qualities. This advanced technology offers a superior product with cross-ply construction that is stronger, more durable and longer lasting. We strive for every aspect of our production process to be environmentally friendly. We believe our efforts will ensure the beauty and abundance of one of our most precious resource...our trees.

IMPORTANT INFORMATION ABOUT HARDWOOD FLOORS

Wood is a natural material; therefore graphics and samples may not show all the characteristics and variations of the actual product installed. Extended exposure to natural light can alter the patina of your wood floor. LM Flooring will not be responsible for claims arising from flooring that has a greater range of grain/color variation than found in the showroom display samples.
